COMPT 86-260

5 MAR 1986

MEMORANDUM FOR: Director of Communications

VIA: Deputy Director for Administration

FROM: Daniel A. Childs, Jr.
Comptroller

SUBJECT: Transfer of Capitalization Resources to Base

REFERENCE: Memorandum to the Comptroller, dated 11 February 1986

1. Although I can understand your interest in moving Capitalization resources into the base for the FY 1988 program, such a move is not consistent with the CPB process. Further, I do not consider actions taken during the OIT/OC reorganization to have set a precedent for proposals which roll part of investment programs into the base before FOC.

2. I believe the division of Capitalization resources between base and ongoing would confuse our congressional committees and generate unnecessary correspondence and discussion. Therefore, I am committed to maintaining the Capitalization program in its totality as an ongoing initiative.
